

INVESTMENT OPTIONS

OPTION 1

Your trusted Financial Advisor manages your fund

If you choose this option, you simply put the Community Foundation of Central Missouri in touch with your financial advisor, and our team takes care of the rest.

OPTION 2

Select your own investment mix using one, or more, of CFCM's investment pools

Our investment pools allow you to match your investment strategy with your risk tolerance and objectives for your fund. These pools are organized according to asset class and include the following:
